J-Elementary Employees Get Salary Hikes

Jefferson Elementary School District trustees Monday night granted \$107,091 in requested salary hikes to certificated and non-certificated employees, bringing the district's 1959-60 budget to a record \$2,773,650.

New superintendent Richard Foster recommended the increases and said the general tax rate for the new budget would hit \$2.18, two cents under the maximum trustees originally set for the 1958-59 budget.

TRUSTEES AWAIT OLYMPIA, B.F. PROJECT BIDS

Bids for the construction of the long-delayed three classroom additions to Olympia Primary School and for a music room at Ben Franklin School will be opened on Wednesday, July 1, by Jefferson Elementary District administrators and trustees.

Architect Mario Ciampi is in charge of the two projects, both to be awarded one contractor and expected to take from six to nine months to complete.

The school board Monday night firm the bid of contractor Louis Dunn on his \$1,295,000 contract to build the Abraham Lincoln, Thomas Edison and Daniel Webster K-6 schools. Construction is to start immediately with the completion date on all three set for January 15 next year. Trustees Monday agreed to some \$31,000 in reductions on the contract, recommended by the state in granting funds for the schools. Angus McSweeney is the architect.

On July 1 the school board will meet for its required re-organizational meeting, at which O. Wayne Douglas, successful at the polls last month, will begin his three-year term as trustee. He's a 34-year-old tax attorney and resides at 1147 Southgate avenue.

Trustees at Monday's meeting ordered a letter of commendation to veteran board member Michael Callan whose term ends June 30. Callan, busy in the building and real estate business, was not a candidate for re-election last month.

6 Homeowners Asked To Sell In School Move

The school board Monday night authorized Asst. Supt. David Shapiro to begin negotiations with six homeowners in the move to replace old General Pershing School on Hanover street with a new building by September of next year.

The state has granted the district \$299,369 for the replacement which will involve expanding the present school site by four-tenths of an acre.

The new building will contain four classrooms and a kindergarten. Present space occupied by the building will be converted into playground area.

DC Man Admits Two East Bay Bank Holdups

Concord police and FBI agents Tuesday booked a 29-year-old Daly City woodworker after he confessed two Walnut Creek bank holdup attempts the day before.

In custody is Edward L. Francis, who gave his address as 6731 Mission street. Police found him asleep in his car on a deserted Concord road.

Authorities said Francis tried to rob the Bank of America and Crocker-Anglo branches in the 1st Bay city.

The present budget was first estimated at \$2,559,610 under the \$2.20 maximum tax expectation, but the district operated on a \$2.04 rate and the budget amounted to only \$2,263,595.

Foster and the board said the new teacher salary schedule, raising the minimum-maximum range from \$4500-\$7875 to \$4690-\$8670 on a 12-step scheme, was a reasonable schedule, adopted on a two-year basis to "attract and hold good teachers" and to keep pace with the rising cost of living. If there is a radical hike in the cost of living next year, the board and administration will give this full consideration, Foster emphasized.

The 5.56% pay hike granted the teachers Monday night adds \$67,425 more to the certificated staff's salary total. Teacher salaries alone in the new \$2,773,650 budget amount to \$1,397,610. Some \$96,340 of this is for new teachers this fall.

The \$2,773,650 budget for the fiscal year starting this July includes \$75,000 in capital outlay funds. The district enters the new fiscal year with a reserve credit of \$80,000.

Administrative salary hikes granted Monday amounted to \$21,628 more to bring the new total in this category to \$238, (Continued on Page 2)

Machinist To Superior Court In Molest Case

A 54-year-old Daly City machinist, charged by his wife with the molestation of his 15-year-old stepdaughter, has been held to answer in superior court on two felony counts of crimes against children.

Police booked 200-pound Louis Gurra, 6925 Mission street, trailer No. 121, on complaint of his wife, Martha, 48. She said the acts of misconduct occurred in September last year and again in March and April. The housewife said her daughter was alone in the trailer when Gurra forced her into the unnatural acts.

The machinist pled not guilty Monday when he came up for preliminary hearing before Municipal Judge Charles Becker in South San Francisco.

Becker held that Daly City inspectors Bruno Conci and George Brooks had sufficient evidence to take the case to superior court.

COUNCILMAN Bob St. Clair views with continued displeasure the barely passable status of old Edgemoor road cutting through the M. Pauline Brown school site in front of St. Francis Heights. The school district soon will install a temporary road on the western tip of the site so that it can proceed with plans for the elementary plant. Meanwhile, the council is waiting for Callan Company to re-align its portion of the old road to complete Eastmoor avenue, south of the school.

'Miss Daly City' Winner To Be Named Tonight

Five of the prettiest young damsels ever to compete here will strut before the judges this Thursday evening in the finals of the Chamber of Commerce's fifth annual "Miss Daly City" contest.

The showdown event, a dinner ceremony, starts at 7:30 p.m. At Joe's of Westlake. Present will be all members of the Chamber, their wives, parents of the five finalists and, of course, the judges — builder Henry Doelger, Mayor Ed Dennis, Superior Judge Frank Blum, Muni Judge Charles Becker and publicist Roy Hurlbert.

Hurlbert will handle publicity for the winner at county and possibly state level, and Fred Martin, the Chamber's emcee for the contest, will accompany Miss DC to the Fiesta Dream Girl contest, along with Mayor Dennis.

Successor to Mary Cunningham, Miss Daly City of 1958, will have to be tops in beauty, poise and personality. The judges this Thursday will rate the girls on the basis of 80 percent for beauty, and 10 percent each for poise and personality.

The very attractive and graceful finalists are: MARY GOODE, 16, West- (Continued on Page 2)

FORTY WORKERS

Special City Census Starts

Forty Daly City residents Wednesday afternoon started making the rounds as enumerators in a special census here which should be completed by late next week.

The census takers, paid 6 cents a name, will call at each residence, asking names, sex, race and ages of all occupants. All this information is confidential and residents are asked to give their full cooperation.

In charge of the operation is Vernon L. Miller, special census supervisor from the Los Angeles district office of the U.S. Census Bureau. He has set up headquarters at 101 Parkview avenue, PL 6-2416.

Miller said the census workers, identified by red-white and blue lapel cards, will be working throughout the day and in the early evening hours.

Purpose of the census is bring DC's recorded population up to date, thereby entitling the city to more apportionments and credit in the assessment of taxes.

Estimated Daly City population is about 36,000.

City Council Study Session Rescheduled

Study session of the city council, originally scheduled this Thursday night, was called off due to the North County Council of Cities meeting and the Chamber of Commerce beauty contest.

The study session has been rescheduled for next Monday evening at 6:30 o'clock. Regular meeting of the council will follow at 8 o'clock the same night.

JESD PROMOTIONS

Aronson, Andrews To Be Principals

Six administrative appointments were approved by Jefferson Elementary School District trustees Monday night before a full audience at 48 Park Plaza drive.

Superintendent Richard L. Foster, who succeeds outgoing H. Z. Weibel as district chief, officially on July 1, presided over the regular meeting.

The board adopted the administrative staff's recommendations and named the principals of three new schools due to open in January.

Weibel, 54-year-old veteran of eight years as superintendent here, will be assigned to Daniel Webster school in St. Francis Heights as principal when the plant opens early in 1960. In the interim, Weibel will serve as special assistant to Asst. Supt. Dr. David Shapiro.

Weibel's position, which will find him on a \$14,000 per year contract, will be that of consultant on buildings and grounds until he assumes the Daniel Webster principalship.

Mrs. Olpe White, housewife who has attended board meetings with unerring regularity the past two years, Monday night challenged the board on Weibel's interim assignment, asking for a clarification and "reason why he is being paid more per month on the interim job than the superintendent makes."

Trustee Frank Verducci replied that Weibel's salary for the interim job resulted from a personnel meeting gentleman's agreement, designed to compensate the outgoing superintendent for some 32 weeks of vacation-time he did not take during his eight-year tenure here.

Foster joined in to say that the interim position was actually a money-saving arrangement for the district, since the board had planned to hire a full-time consultant this year to relieve the heavy burden (Continued on Page 2)

'HONEST ABE' OVERSIGHT TO BE CORRECTED

The elementary school board has decided to bring back the unfortunately "forgotten" Abraham Lincoln essay award competition.

Trustee Tom Noonan brought up the oversight Monday night — a perpetual plaque donated to the district 25 years ago by veteran Daly City municipal figure Arthur Bodien, 28 Rice street.

The plaque was awarded each year (starting in 1933) to the student who composed the best essay on the legendary 16th president. This competition was quite a stimulating project and the annual award was a much coveted honor, Noonan pointed out.

But the trustee from Colma noted that the competition "for some reason ended in 1953 and the plaque was forgotten somehow."

The school board agreed that something should be done to revive the competition. They instructed new superintendent Richard L. Foster to find out why the plaque was shelved the past six years.

Also, the board said it would like to place the plaque permanently in Abraham Lincoln School, which is scheduled to open next January.

'Western' Pair Get \$103 In Motel Robbery

Two Western-type young bandits got \$103 in greenbacks Sunday morning about 2 o'clock when they held up night clerk Richard Keen at Millett's Motel, 7700 Mission street.

Keen told Broadmoor Officer Al Nickas that the pair entered the office while he was watching TV in the lounge. One of the suspects, short and stocky, attired in a Western hat and boots, did all the talking and, after signing the register as "Tony C. Martin of 214 So.," his partner, lanky and thin, also about 25 years old, brandished a .22 caliber revolver.

Keen was ordered to "hand over the cash" and did so, taking it from a steel cabinet, while the smaller robber told him, "We're sorry, but we are hungry, and we'll pay you back."

The pair told Keen not to call police right away; then they fled. The clerk said he didn't see their car and didn't even know if they used a car.

Four councilmen met with the city manager and finance chief Tuesday night to begin scrutinizing Daly City's proposed new fiscal budget — a \$1,623,682 proposition that figures to necessitate a tax hike of about eight cents.

The council scanned only part-way through the voluminous draft of the city manager. Second study session is set for Friday evening, June 26, followed by several meetings with individual department heads.

Twenty-three percent higher than the '58-59 fiscal budget of \$1,306,349, the new estimate, as proposed, calls for a general tax rate of \$1.25 per \$100 assessed valuation. But the city manager and council figure the adopted rate, after department requests are trimmed, will be closer to \$1 — compared to the present tax of 92 cents per \$100.

City Manager George Watts said the tax hike is necessary due to fund needs to staff and equip the new Westlake fire station, an increase in the library levy, proposed 5 per cent across-the-board pay hikes for all city employees, and the addition of some 20 new personnel.

His breakdown on the first-draft \$1.25 tax proposal showed 77 cents for general fund, 16 cents for library fund (city levy is full rate instead of former split with county), 15 cents for park fund, 10 cents for retirement, and 7 cents bond fund.

The current 92 cents per \$100 tax was based on 44 cents for general fund, 7 cents for library, 18 cents for parks, 15 cents for retirement, and 8 cents for bonds.

The city will have a reserve of some \$140,000 to start the new fiscal year. Some \$385,000 in capital outlay projects are mapped in the new budget which is geared to an expectation of some \$400,000 in sales tax funds. Half of the sales tax funds will be used for capital outlay, the remainder to help reduce the property tax.

The new employees requested are seven firemen (including one battalion chief), two police officers, two more finance department workers, and nine more public works department employees.

The fire department had asked for 12 more new men and the police need five. The city manager has also recommended the elimination of the license collector's position, preferring to have the job handled by clerks in that office with the assistance of police officers on traffic tag patrol.

Councilman Joseph Verducci missed Tuesday's session but he is expected to be present for next week's second budget study meet.

The council must adopt its preliminary budget by July 1. Final adoption is due in August.

W'lake Woman Fined \$250 In Shoplift Case

Venus R. Monroe, 53-year-old Westlake resident at 71 Pinehaven drive, was found guilty of shoplifting and fined \$250 last week by Judge Charles Becker in municipal court. She was also placed on probation for a year.

The woman had been charged with the petty theft of some steaks, a roast and bell peppers at Mayfair Market.

Gladys W. Morris, 29, appearing before Becker in the \$3900 forgery and embezzlement case at Goodwin Roofing Company, 1861 Junipero Serra boulevard, pled not guilty to all counts.

The bookkeeper, who lives in San Bruno, was remanded to custody of the sheriff pending trial.

In another Daly City arrest case, Elmer C. Gilbertson pled guilty to drunk driving and was fined \$250 and sentenced to 30 days in county jail.

Becker suspended 25 days of the jail term and gave Gilbertson 30 days in which to pay the fine.

Parents Seek School Buses Across Skyline

A delegation of parents from the Palisades section of Daly City asked Jefferson Elementary School board Monday night to again bus youngsters to schools east of Skyline this fall because of the dangerous aspects of small children crossing on foot at the signalled Westmoor and Westridge intersections.

The proposal was first brought up at the meeting by board chairman Joseph Lewkowicz, who asked fellow trustees and the administration to amend their announced bus policy for the area.

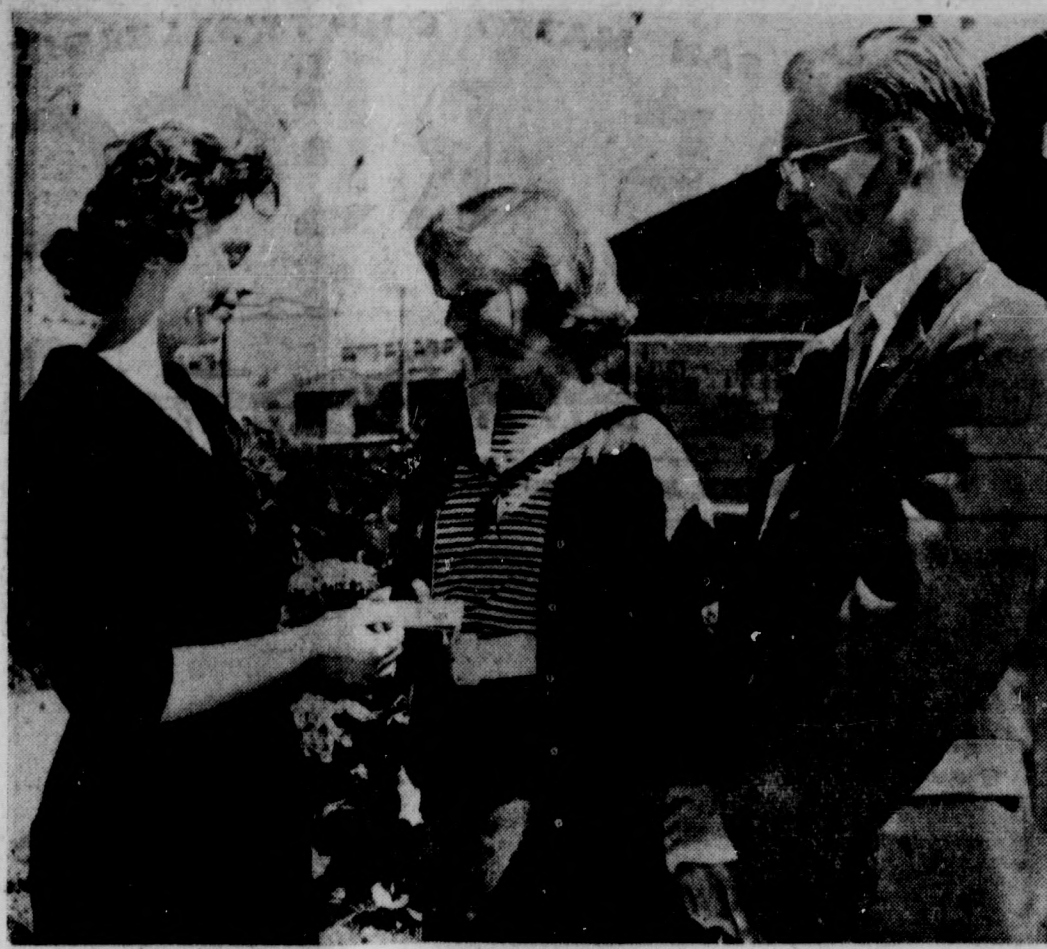

Richard Foster, new superintendent of the district presiding at his first meeting here, asked for an explanation of the district bus policy and then said he would fully study the Palisades problem and have a recommendation for the board next month.

Asst. Supt. Dr. David Shapiro explained that the district policy stipulates that students who live within 3/4 mile radius of their schools cannot be given bus transportation. This is consistent, he said, with state policy in granting funds to districts for transportation.

More than a half-dozen parents from the Palisades took the floor Monday night to ask for a restoration of bus service for the smaller youngsters.

The school attended by most of the Palisades tots is Vista Mar on Southgate avenue. Two new K-6 plants, Abe Lincoln and Thomas Edison, located just southwest of Westmoor High, also will accommodate many Palisades children. These schools will be open next January.

Westlake Subdivisions Improvement Association Monday heeded many Palisades residents and went on record to seek continuation of school bus service there.

Shapiro has in handling the district's business affairs.

Trustees Tom Noonan and chairman Joseph Lewkowicz added that the arrangement with Weibel was an "open matter and public knowledge," but Mrs. White said she and "a group of citizens who have been discussing this matter for six months were still dissatisfied with the contract granted Weibel.

Weibel, currently on vacation with his family, will receive the maximum principal's salary, \$11,270, when he takes over his duties at Daniel Webster.

In other ratifications Monday night, the board approved the assignment of Ben Franklin vice principal Harry Aronson to principal of Thomas Edison (due to open in January) and the elevation of Dr. Lloyd Andrews, Colma Intermediate vice principal, to the principal's post at Abraham Lincoln (also in Westlake Unit 10 and also due to open in January).

Both Aronson and Dr. Andrews will serve in the capacity of vice principals (pay-wise and duty-wise) until the new schools are ready. Aronson will be at Vista Mar school this September. This plant will house double-session youngsters assigned to the Lincoln and Edison schools, just east of Skyline and south of Westmoor avenue.

Other board appointments Monday were assignment of John Belforte, teaching vice principal at Jefferson, to the vice principalship of Ben Franklin; Carroll Martindale, classroom teacher at Colma Intermediate to vice principal there; and Jesse Parks, classroom teacher at Ben Franklin to the teaching vice principalship at Crocker.

Dr. Vinton Stratton, district director of curriculum and instruction, said two more administrative vacancies are to be filled before September—teaching vice principals for General Pershing and Jefferson.

Stratton informed the board Monday that 29 new teachers have been hired thus far for the new school year with 21 more still to be contracted. There have been 33 teacher resignations in the district since last September, he pointed out.

The district had a total of 187 classroom teachers this past term and needs a minimum of 12 more by September. The 21 left to be hired include four as replacements and five as long-term substitutes.

Trustees Monday night accepted the resignations of teachers Eleanor Luppino, Edna Morrison, Reba Schwick, Gwen Campbell and Billy Marcott.

New teachers hired were Ann Katsaros and Alice O'Connell.

\$1270 Burglary Hits Wardrobe Of W'lake Man

A thief really took a Westlake salesman's clothes to the cleaners last week while the victim was out on the road Thursday to Saturday.

Ford E. Frame, 35, of 207 South Mayfair, said the burglar, who entered through an unlatched rear door, got away with some \$1270 in clothes, shoes, a chair and a radio.

Officer Les Bastedo said Frame's wardrobe was "pretty well wiped out."

'PRANKSTERS' MOVE MANY AUTOS HERE

Daly City and Broadmoor police encountered a rash of post-graduation pranksterism late Thursday night as more than 10 cars in the two areas were "relocated" by mischievous juveniles who didn't mean much harm.

In most cases, these cars, parked outside residences, were shoved several feet from their original stations. In a couple of instances, vehicles were found on lawns—quite a lifting or rolling job for the teenagers.

Chief Ray Savage of Broadmoor and DC police spokesmen said the cars weren't damaged and were quickly returned to their proper places.

New State Bill Aids Cases Of Misdemeanors

Persons arrested for misdemeanors may be released from custody by signing a written promise to appear in court on the charge instead of being taken before a judge, if the Governor signs the Assembly-approved bill which also was passed by the Senate.

The bill, authored by Assemblyman Louis Francis of San Mateo County, provides that when a person is arrested for misdemeanors under state law and does not demand to be taken before a judge, the arresting officer may issue to him a written notice to appear in court, and if such a person agrees to appear, shall release him from custody.

This measure requires the judge to fix bail and permits the defendant to deposit bail. It further makes the failure to appear, as agreed, a misdemeanor and requires the issuance of a warrant of arrest within 20 days after such failure, when the defendant has not deposited bail.

Francis said, "It has long been my feeling that this procedure could be utilized to great advantage in many cases where law enforcement officers are now required to take the alleged offender immediately before a judge or to place him in jail until such time as a judge is available."

He explained that the present procedure often causes unnecessary embarrassment and inconvenience to the alleged offender, besides requiring additional time of the peace officer handling the case.

DC Rotary Club Awards 2 Girls Scholarships

The Daly City Rotary Club today announced two \$200 scholarship awards in its annual program to help deserving high school seniors in college pursuits.

According to Carl R. Sotter, the Rotary's scholarship committee chairman, the \$200 awards went to Jefferson High's Barbara Frances Metzko, 236 Rhine street, and Westmoor High's Gail Ann Gray, 1453 South Mayfair avenue.

Miss Metzko will enroll at San Francisco State this fall to major in education for a teaching credential. Miss Gray, whose mother, Ann, is a long-time Jefferson Elementary District teacher, is headed for City College of San Francisco and eventually will attend University of California at Berkeley.

Herbert E. Sharpe, Rotary president here, said both girls have "outstanding academic promise."

County Assessor Has Data On Reappraisals

A general reappraisal of residential properties has just been completed in Jefferson High School District, County Assessor Ralph Woodman announced today.

He said this was part of the county program to reappraise all property every five years. The new assessment roll will be available for public inspection about July 1, but information on individual appraisals is available now, Woodman said. Interested property owners are invited to discuss their assessments with the county staff of appraisers who will explain the manner in which the valuations were determined.

Woodman noted that the new appraisal program will bring an increase in assessments of approximately \$45 million in the south half of San Mateo County on the 1959-60 rolls.

SOME LECTURES ON VANDALISM

Administrators here again are confronted by summertime outbreaks of vandalism involving school property.

Daly City police have received several reports of broken windows, wrecked equipment and damaged facilities—all resulting from the thoughtless acts of juveniles who should know better.

Destroying public and private properties is a serious matter and cannot be dismissed with a "kids-will-be-kids" attitude.

The damages must be repaired and this costs money — right from the taxpayer's pocketbook.

Parents of youngsters guilty of this vandalism in many cases are presented with bills by the school district.

A few front-room lectures would be worthwhile to instruct the youngsters that they should be considerate of the rights and properties of others.

COLMA HOUSEWIFE

Meredith Orloff Named Chairman Of Crusade's Residence Division

Mrs. Martin (Meredith) Orloff of Colma has been named county-wide chairman of the residential division of the United Crusade for 1959. The appointment was announced by Franklin D. Townsend of Atherton, this year's campaign chairman.

"In addition to the money that the women of this county are expected to raise for the Crusade," Mrs. Orloff said, "we are also responsible for constantly reminding the county residents of the value of federated giving."

Mrs. Orloff recently was appointed to a three-year term on the board of directors of the Family Service Agency, a member agency of the United Crusade.

Although residents of the county for only five years, the Orloffs have contributed much time and effort to the welfare of their home surroundings.

Mrs. Orloff has served the Crusade in a volunteer capacity continuously since she accepted the post of Broadmoor residential chairman in 1955 and 1956. In 1957 she was Daly City-Colma chairman and last year she directed the solicitation of the residences of North County. In the past she has also had important functions to perform with both the Red Cross and the Salvation Army. Her husband is extremely active with the San Mateo County TB Association.

The clubs to which Mrs. Orloff belongs include VFW Auxiliary No. 9921 of Broadmoor-Westlake, the Order of Eastern Star of Santa Monica, and Friends of the Library of Daly City.

Her role of den mother has just recently been completed. She and her husband and their nine-year old son, Richard, make their home at 872 Thornhill drive, Colma.

National Safety Council Tells What To Do If Vacation-Bound

So you're going on vacation! Just load up the trunk, herd the family into the car and away we go — but hold on a second. It's not quite that simple.

Lots of things to be done before you start.

Such as:

1. Stop milk and newspaper deliveries. Ask a neighbor to keep advertising circulars off your porch.
2. Don't lower window shades — this is a tipoff for burglars. And make sure someone mows your lawn while you're gone—several inches of grass is a sure sign you're away from home, too.
3. Tell the post office to hold your mail, or arrange delivery to a neighbor.
4. Lock windows and doors. Don't forget basement windows and the coal chute.
5. Tell the police how long you'll be gone and where you can be reached in an emergency.
6. Shut off gas and water at main valves. Electricity can be

shut off at the master switch, unless the freezer or refrigerator is to be left on.

And from the National Safety Council come these tips on what to do before you leave on vacation:

1. Have your car serviced thoroughly. Give special attention to lights, brakes, tires, steering and windshield wipers.
2. Take a flashlight along for use in emergencies. Equally handy: a "trouble light" that can be plugged into the cigarette lighter receptacle.
3. Make sure you take along necessary equipment for repairing a flat—spare tire (is it inflated?), jack and tools.
4. Put a first-aid kit in your glove compartment — and be sure the contents are not stale or missing.
5. One additional Council suggestion: "Start early on your vacation, and don't plan to drive too far in a day. Make this a vacation you'll really enjoy."

Letters To The Editor

W'lake Couple Won't Attend Open Meeting

(Editor's Note: Following letter was sent to Westlake Subdivisions Improvement Association by Mr. and Mrs. Clyde Doerr, 2 Belmont drive, answering request of association that couple meet with directors in an open meeting regarding questions the Doerrs have on the status of the association.)

Dear Miss Shea: Secretary-Manager W. S. I. A. On June 8 I was advised by you, over the telephone, that the Board of Directors wished me to appear before them at a special meeting, Monday, June 15, at which time they would answer our questions relative to the WIA. I readily assented to this meeting. On June 9 I received a registered letter from you as follows:

"Confirming our telephone conversation of last night, the board of directors of this association is inviting you to a special meeting on Monday, June 15, at 8 p.m. This meeting will be held at 95 South Mayfair avenue and the purpose is to allow you the opportunity of asking any questions relative to the Westlake Subdivisions Improvement Association and being answered by the board of directors."

The above clearly indicates that I was to appear before a special meeting of the board of directors NOT an open meeting. The announcement in the Westlake Times of June 10 that we would appear before a special called OPEN meeting, was without our knowledge or consent. Such a meeting would only result in chaotic disorder and confusion, and would serve no definite purpose. The issues involved can be best answered in a quiet, calm atmosphere, which I feel would be totally lacking in open meeting.

Several of our questions were contained in the article carried by the Westlake Times and The Record of June 3, none of which have been answered to date. If and when the board of directors feel they can answer these questions to our satisfaction, I shall be glad to meet with them at any time. If these issues can be thus resolved, then I will be most happy to attend any meeting, regular or special, and openly urge all hundreds of delinquents to again become good

Garden Villager Salutes B'moor Police Force

Dear Editor: Proud is a powerful word, but it's the best word to describe how we homeowners feel about our Broadmoor Police Department.

Chief Ray Savage and his force, in our humble opinions, are without peers. They perform their duties with tact, diplomacy and a forthrightness that any police force in the nation could be proud of.

May Savage and his men keep up the good work and let them know we are behind them completely.

Teacher Cites 'Late' Tribute To Mr. Weibel

Dear Mr. Bradshaw: It was very gratifying to read your testimonial editorial to the "Tired and Tireless" in last week's RECORD.

It was more gratifying to read the one regarding Mr. Weibel, outgoing superintendent of our district.

It seems to me that we can all say more while our "servants" are "in harness" rather than wait for that last day of their retirements.

Doug Devolder Aboard Ranger In Far East

Douglas Dean Devolder, seaman, son of Mr. and Mrs. Devolder, 312 First avenue, Daly City, took part in Operation "Granite Creek," May 25 to June 1, while serving aboard the attack aircraft carrier USS Ranger in the Western Pacific.

"Granite Creek" was an exercise designed to test the effectiveness of the Navy's aircraft carrier striking force of the U.S. Seventh Fleet in the Far East.

The Ranger, which along with other carriers is providing air might to this country's first line of defense in the Pacific, is on a routine tour of duty with the Seventh Fleet.

HI-FI TEENS, PARENTS DANCE FRIDAY NIGHT

The Hi-Fi Teen Club, sponsored by Daly City's Department of Parks and Recreation, is holding the area's first Parent-Teenage Dance this Friday, from 8:30 to 11:30 p.m. at War Memorial Community Center.

The dance is open to members and their parents only. The teenagers have expressed a great desire to let their parents see the type of activities that they participate in with this group.

Don Carle and his orchestra will provide music for the event.

Parents' admission price is 50 cents per adult. Members will be admitted for 75 cents. Each member whose parent attends the dance will have his money refunded, according to Rich Watson, club supervisor.

Francis Seeks New State Law To Project More For School Funds

Legislation by Assemblyman Louis Francis of San Mateo County has passed the Senate and was sent to the governor to increase the projection of student enrollment from five years to seven years for state school building aid, and to help eliminate double and triple sessions.

Specifically, the Francis bill permits the Department of Education to approve a school district's application for an apportionment for the purchase of a site or comprehensive plan if it determines that the enrollment of a high school will be sufficient to show need within seven years from the date of the application. Under the present law, the projection is limited to five years.

It also provides relief for elementary school districts by providing that the department may approve the application for an elementary grade level maintained by the district to utilize a period of seven years from the date of the application if it is necessary to meet the emergency conditions existing in that certain district due to a rapid increase in the enrollment of pupils or due to

the scarcity of land within the district, or both. There are several school districts in San Mateo County that need this assistance.

Another feature of the bill permits the inclusion of an amount for the preparation of plans and specifications for school facilities and for the development of the site.

The San Bruno Park School District is a typical example of one of these districts in dire need due to the rapid growth of population and disappearance of available school sites. It has 578 pupils in grades 1, 2, and 3 on "double session" and 293 kindergarten pupils on "triple session."

The next school year, 12 kindergarten classes will be on "triple session" and 40 classes of primary grade children will be on "double session" plus 10 classes of 7th graders on "double session."

The district has an enrollment of 4255 pupils at present, and the projected enrollment for the 1959-60 school year is 4750 pupils, and for the 1960-61 school year, an enrollment of approximately 5300 pupils.

Something For Everyone

By Sam Chandler
City Librarian

The Summer Reading Club is in full swing at the Daly City Public Libraries.

Some of the first to sign up were Linda Romo and Paula Mallet. Elizabeth Cecchi has hit the "Magic Carpet" already.

This year's reading theme is based on the fact that imagination is a necessary ingredient of life. With it one may fly to other lands, to times past and future.

Imagination is a vital factor in planning and solving problems. Research scientists in fields from aeronautics to medicine emphasize the part imagination plays both in the formulation of the research problem and its solution.

Imagination is not empty dreaming. It must have information to feed upon. The more extensive and exact the information, the more creative and successful the imaginative process.

With this in mind, the theme of the summer reading program was chosen to be "Go where you would be—via a soaring magic carpet of books." This is a very personal type of reading, where only the individual doing it knows what he has learned, what insights gained, what thrills received from the felicitous use of language. Some of this can be shared, but much is private.

Children are welcome in the libraries at all times. However, staff members will be free to help with the selection of books and to discuss books with the children on a somewhat shorter schedule, Monday through Friday.

Travel on a "Magic Carpet of Books" this summer at the Daly City Public Library, 6351 Mission street, and the Westlake Branch, 34 Park Plaza drive.

John Robinson Gets Degree

John Alexander Robinson, 471 Winchester street, Daly City, received a bachelor of science degree Sunday in the 82nd annual commencement exercise at the University of Oregon in Eugene.

More than 1500 undergraduate and graduate students were awarded diplomas in the ceremony.

The Town Record

By ROY HURLBERT

One of the last official duties of retiring Jeff Elementary District trustee Mike Callan was presenting diplomas Friday night to Ben Franklin School grads.

Always-busy Mike arrived about 15 minutes after the ceremony began. Somebody gave him the wrong info on the starting time.

Anyway, he came through with flying colors, but took a ribbing Monday night at his final board meeting.

We figure the Daly City teacher who reported a theft from his car in the high school parking lot last week was a bit embarrassed.

The thief made off with several bottles of booze.

Probably for medicinal purposes.

There should be plenty of candidates for county supervisor next year. Expected to be a threat is Coastside Ray Whitney, veteran high school, elementary and junior college trustee.

Harvard-accented Ray has covered lots of ground in public duties and is known and respected throughout the north county.

Last time we heard, Daly City will have two candidates in the race, opposing Tom Callan Sr. of Colma.

Councilman Bob St. Clair's "close" appointment to county Central Demo Committee was by slim margin because several north-enders fear the big 49er is too strong a rival to South San Francisco councilman-teacher Leo Ryan.

St. Clair is highly regarded as one of California's up-and-coming Demo hopefuls, particularly by Governor Pat Brown. Likewise, Mr. Ryan.

Richard "Dick" Foster, the man from Marin, made his debut as new superintendent of Jeff Elementary District Monday night and impressed the capacity crowd with his precision in clarifying board action so the audience would know what each agenda item involved in terms of dollars and sense.

The meeting was well paced and lasted less than 90 minutes. And everyone had an opportunity to be heard.

Herm Kalinin, new president of the DC-Colma Eagles, claims a unique distinction, he thinks.

He, his wife and three sons all are graduates of Jefferson High.

Born in China, Herm knows Daly City like the back of his hand.

They don't come any finer than Daly City's Bob Grubb, home on leave from the Naval Academy at Annapolis.

The Jeff High product will be graduated as an ensign next year. Then he's off to Pensacola (Florida) for aviation cadet training.

The Academy is tough. Bob admits, but it's the best training in the world.

Pat McCool, class of '51, was Jeff's first Naval Academy student. With Grubb there now is Colma's Jim Honeywell, a former Jeff football great. Honeywell is a halfback candidate on the Navy varsity.

Fourth DC enrollee at Annapolis, this fall, will be Bruce Freeland, '58 graduate of Jefferson.

Officer Les Bastedo of the Daly City police department deserves special mention for helping to form South City-Daly City Police Athletic League baseball loop.

Big Les, quite an athlete himself in the old days, spends his off-duty time (except for slumber) supervising all DC Police League baseball teams.

He's in charge of about 120 boys all told.

ROTARY Club of Daly City \$200 college scholarships are presented by Carl Sotter, scholarship chairman, to Gail Ann

Gray (left) and Barbara Frances Metzko, who were graduated from high school here last week. Miss Gray attended

Centennial Sunday Program Told For DC's Hope Lutheran Church

Joining with nearly 600 Lutheran Churches, on the west coast, Hope Lutheran Church, Old San Pedro road west of Junipero Serra boulevard, Daly City, will celebrate 100 years of Gospel preaching since Lutheran work was begun here in 1859. Two services of praise will be held at 8:30 and 11 a.m. this Sunday, June 21.

Guest speaker will be the Rev. Elmer N. Witt of Chicago. Since his graduation from Concordia Seminary, St. Louis, Missouri, in 1947, Pastor Witt served as spiritual leader of Lutheran congregations in Barstow and in Needles, California. In 1952 he was called to the full-time Executive Secretary's office of the Waltham League, International Youth Organization of the Lutheran Church Missouri Synod, a position he holds at the current time.

Reverend Witt will be in this area to participate in the Convention of this church body beginning in San Francisco this week. He will present a report to the convention concerning past activities and planned programs for the youth of the church.

For his sermon at Hope Lutheran, Rev. Witt will preach on "God's People - Remember!" based on the text in 1 Peter 2: 9-10. At the 11 o'clock service, the "Children's choir will sing 'Dear Christians, Praise God Evermore,' by Johann Krieger, accompanied by two violins and the church organ. The Rev. Louis C. Marting, pastor of Hope Church, will conduct the liturgical service.

Many members of Hope Church have made plans to attend the special "Meet Your

Synod" Supper planned for Sunday evening, June 21, at Brooks Hall. (Reservations may still be made through Luella Richter, PL 6-0348.) Following the dinner, a dramatic presentation called "Declare His Glory" will be presented in the Civic Auditorium at 8 p.m. Members of the Lutheran Cross and Crown Drama group from Illinois and Indiana are being brought to San Francisco for the speaking parts in this drama. The Rev. Robert Clausen of Gary, Indiana, is the director. Reverend Marting and Bill Rice of Hope Church are participating in this presentation as two of the disciples of Christ. This dramatic offering, as far as can be determined, is the first time a major religious convention has used the technique of the theatre as part of its convention program. There is no charge for this event. This and all other sessions of the convention are open to all who are interested.

Hope Church, through its pastor, invites members of the community to join in the Centennial services this Sunday morning at Hope Church, and in the special events at the Civic Auditorium that evening.

Hike Of Month For 125 Boys This Saturday

One hundred and twenty-five San Mateo County Boy Scouts will begin their June "Hike of the Month" at the entrance to the Oakland YMCA camp, located about 1/4 mile east of the main gate of Memorial Park on the Pescadero Road, at 9 a.m. this Saturday.

The hike will include trails on both sides of Pescadero Creek covering some of the more scenic areas of the county between Pescadero road and Fortola State Park. The hike route will take Scouts through Camp Pomponio and the Santa Cruz Lumber Co., traversing former railroad rights of way and logging sites.

Prior to the hike Fire Warden Ray Cavellero of the San Mateo County Fire Department will caution the Scouts on fire hazards in the area.

The hike, approximately 14 miles long, will end back at the Oakland YMCA camp, according to John Stueck, Council Hikemaster.

In the past year, 1170 Scouts and adult leaders have attended the Hike of the Month.

Colma Faculty Packing Bags For Long Trips

Mexico, Alaska, Massachusetts and Nebraska are included in the vacation plans of staff members at Colma K-6 School.

Hester Blaylock plans a boat trip to Alaska and a return via the famed Jasper ice fields in Canada. Jasper will also be visited by Eleanor Zenovich who plans to fly to Seattle and then to travel by train through the Pacific Northwest into Canada and to return via Glacier National Park. Ester Jicha will visit friends and relatives in Nebraska and Ruth Rogers will visit with her family in Texas.

Helen Dubacher, Louise Quist, and Barbara Busetto plan to tour Mexico. Anne Rowe will join her husband who is in the service in Massachusetts.

Adrienne Nelson will be on the district's Summer School staff. Clara Klaisner, Jean Bryant, Jean Fletcher, Dorothy Malone, Marjorie Kiviat, Elvera Cody, and Iola McKeown will devote a portion of their summer to attendance at summer school.

After July 4, Mary Bemis will be "housewife at home in Burlingame". She will become the bride of Peter Pitts on that date.

DC-COLMA GIRL SCOUTS LAUNCH SUMMER CAMPS AT 3 BIG SITES

By Servart Ojakian

Camping activities for hundreds of Daly City-Colma Girl Scouts started Monday at various scattered campsites in and around this area.

Day camping for girls through Intermediate standing will continue to July 10, and are composed of five-day sessions.

Camps are located at regions easily and quickly accessible, such as the Daly City camp at Mattrup, the Crystal Springs camp in San Bruno, and Linda Mar Park at Coastside.

The Brownie day camps are located at Crystal Springs on the Coastside, and at Camp Mattrup.

There will be three sessions at Crystal Springs, three at Linda Mar Park, and one at Camp Mattrup.

The Fly-Up and Intermediate girls will have two sessions at Crystal Springs, one at Camp Mattrup and one at Coastside.

Advanced day camp for older girls was completed at Mattrup. The eight selectees from Senior Scouts who will attend the July 3-10 Colorado Round-Up also attended the Mattrup camp.

They had a chance to practice and brush up on camping skills. They and the other more advanced scouts attended two overnights and two cookouts this week.

The Round-Up in Colorado will be composed of 700 Girl Scouts from all parts of the nation.

Camp Sonora, the established camp, will be in four sessions with 80 girls attending each. It will start June 29 and end August 22. This camp is located in the Mother Lode foothills, four miles from Sonoma, and about 150 miles from San Mateo County. This beautiful campsite, in the midst of 70 acres of wooded hills and open meadows, offers every advantage of good outdoor living, mountain trails for hiking, scenic spots for out-of-camp trips for experienced campers.

B'moor Church Pair Delegates To Meet In LA

Mrs. James Fairbanks and Miss Penny Tweddle of Broadmoor Presbyterian Church will attend the meeting of the Synod of California of the United Presbyterian Church, meeting at Occidental College in Los Angeles from June 22 to 26.

Mrs. Fairbanks is clerk of the session of the local church and is the church's commissioner to Synod. Penny Tweddle is moderator of the high school Westminster Fellowship of the local church and outreach chairman of the Youth Presbytery of San Francisco.

Voting delegates as well as visitors will attend from the Presbyterian Churches of California, Nevada and Utah. Inspirational and instructional meetings will be held as well as business sessions which will consider such matters as Christian Education, World and National Missions, Area Conference Grounds and Homes for the retired, Stewardship, Social Education and Action, etc.

The Youth Synod holds separate meetings in which the young people study and participate in meetings relating to their local and district policies and programs. The Rev. Drs. Theo. Gill and John Bodo of the San Francisco Theological Seminary will be the daily inspirational speakers to not only the Synod and Youth Synod, but also the Synodical meetings wherein the Presbyterian Women attend concerning their program and activities.

The court's annual recess will begin July 1.

General Pershing Student Rewarded

Miss Housley's student, Ronald Hampton, of General Pershing School won a prize from Captain Satellite.

Troop 243's Scouts Visit Camp In Marin

A small group of the boys from Scout Troop 243 visited Camp Lillianthal in Marin County over the weekend, under the direction of Assistant Scoutmaster Harry Hettel.

Transportation chairman Curly Vogt wishes to thank the volunteer drivers, Ralph Hamneck, King Spencer and Mrs. Paul Kearney.

The size of the party was restricted due to graduation and end-of-term activities. Practically the entire troop should attend the next campout on July 17.

TYPICAL summer-camp attire is sported by these Daly City area Girl Scouts as they await vacation-time trips for group activities. Left to right are Carol Ann Bryan, Dale Henelise, Lynne Coleman, Virginia Ansaldo and Mary McDonald. The

local units will travel to Camp Sonora, Camp Mattrup and Junipero Serra Park.

VA Answers 4 Questions Of Former GI's

Q—The firm I work for is transferring me to another city and therefore I must sell my GI house. Will it be possible for me to get my GI loan entitlement back, so I may apply for another loan?

A—Yes. It is possible to have GI loan entitlement restored, in cases where the sale is for compelling reasons. VA, however, must be released of all liability on the present loan.

Q—I have a dental condition resulting from combat wounds, but for which I am not entitled to receive compensation. Is there any deadline in my case for applying for outpatient dental treatment?

A—No. Veterans whose non-compensable dental conditions resulted from combat wounds may apply at any time and receive as many treatments as are needed.

Q—I am studying for my doctorate degree under the Korean GI Bill. How many hours of classroom work does VA consider to be full-time?

A—For graduate studies, there is no set number of hours. VA accepts the word of your school whether you are on a full-time or part-time basis.

Q—I was recently examined by a doctor in connection with reinstating my GI insurance, but neglected to send the examination report to VA. Will the report be acceptable to VA if it is sent in late?

A—The report should have been sent immediately after the examination. If the delay has been more than five days, you must submit a statement that you are in as good health as when examined. If the delay has been more than 31 days, VA cannot accept your late report. You must take another examination.

Summer Sked Is Announced At St. Martin's

Summer schedule of services for St. Martin's Episcopal Church, located at 94 Palmdale avenue, has been announced by the Rev. Allen J. Downey.

As in the past, the regular services of Holy Communion at 8 a.m., and Morning Prayer at 9:30 a.m. and 11 a.m. will continue. However, instead of Church School, beginning on June 28, special movies will be shown for youngsters from kindergarten age and up. Nursery and pre-school children will continue as usual.

Morning prayer service at 9:30 a.m. on June 21 will be Award Sunday for members of the Junior and Middle choir who have served the church faithfully during the past year.

This Thursday, June 18, at 8 p.m., a general meeting for the women of St. Martin's will be held. Special guest for the evening will be Mrs. Eiden Muller, social relations chairman of San Francisco Convocation. Hostess for the evening is St. Elizabeth's Guild.

St. Michael's Club To Hold W'lake Dance

The members of St. Michael's Mothers Club will hold their semi-annual dance on Saturday, June 27, at Westlake Auditorium, 33 Park Plaza drive, Daly City.

Dancing will be from 8 p.m. to 1 a.m. with music provided by Al Borelli.

Food and refreshments will be served.

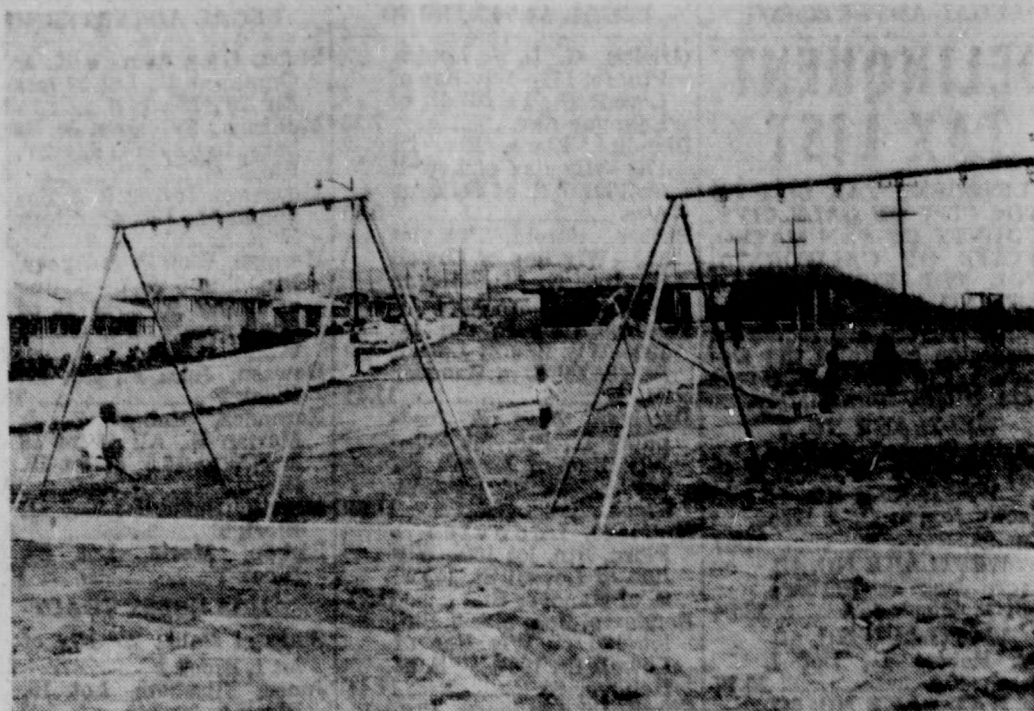

Admission to this gala affair will be \$1.50 per person and tickets may be purchased at the door.

152 Union Men Donate Blood To Honor Brady

One of the most successful blood drives in the history of the local labor unions occurred Saturday when 152 members of unions contributed blood at Peninsula Memorial Blood Bank to the B-day reserve in memory of the late Edward Brady, business manager of Sheetmetal Union 272.

The mass donation amounts to a savings to members of \$3420 based on \$22.50 per pint of blood, according to Anthony Asaro, blood drive co-chairman. Asaro is business manager of Sheetmetal Union 272.

The Teamsters sent the most members to the all-morning session — 43. Other unions were Sheetmetal, 28; Carpenters local 162, 25; Plumbers local 467, 17; Painters local 1146, 10; Engineers local 3, 10; Painters local 913, 8; Hardwood Floor Layer 1047, 5; Carpenters local 1408, 3; Carpenters local 848, 2; and Electricians local 617.

Breakfast was served to all donors by chef Earl Honerlah of Carpenters local 162. Consumed by 197 donors and Blood Bank aides were 36 pounds of sausages, 36 dozen eggs, 40 dozen cinnamon rolls, five gallons apple sauce, 325 servings of coffee and two gallons of orange juice. The office employees were hostesses assisted by wives of business representatives.

Members of Girl Scout Troop 58, Beth Kopp, Mary Kopp and Patty Montgomery, assisted in the kitchen service.

A flag was presented in memory of Brady to Mrs. P. J. Hanzlick, blood bank administrator, by Asaro. Henry Schwab, president of the Building Trades Council, presented Asaro with a plaque bearing the proclamation issued at Sacramento from the state legislature honoring Brady.

Breakfast Fete For Hi School Catholic Grads

A Baccalaureate Mass and breakfast was sponsored by Court St. Mary, Catholic Daughters of America, for the Catholic graduates in Jefferson High School District, Tuesday morning last week.

The 9 o'clock Mass was said by Father Joseph Garrity, who is also court chaplain for Court St. Mary.

Following the Mass, a breakfast was served to all the graduates in the OLPH School cafeteria. Mrs. O.G. Fair was chairman for the event and was assisted by her co-chairman, Mrs. Harvey Mumford, and a committee of women consisting of: Mrs. Lawrence De Fante, Mrs. Carl Rolland, Mrs. DeWitt Brunson, Mrs. Esther Day, Mrs. Anne Drury, Mrs. Edwin Kollman and Mrs. Angela Johnson, who was in charge of decorations.

Christian Doctrine pins were awarded to Catherine Salade and to Paul Bacigalupi Thursday evening, at the eighth grade graduation ceremonies for OLPH School in Daly City. These awards are presented annually at OLPH by Court St. Mary, CDA, to the most outstanding girl and boy graduate in Christian doctrine. The winners are selected by the Sisters and teachers of OLPH and reflect eight years in outstanding Christian Doctrine work for the winners.

W'LAKE SEA SCOUT SHIP TELLS NEW LEADERSHIP APPOINTMENTS

Newest leadership appointments in Westlake's Sea Scout Ship 248 were announced at its recent meeting by Jay F. Irick, Skipper of the group.

These changes continue the ship's policy of rotating leadership ranks among the older, best qualified Sea Scouts, so that all are given an opportunity dependent on their knowledge, behavior, public service response, and abilities.

Frank De Martini Jr., remains as Senior Scout but on a part-time basis and in an advisory capacity. His former functions with the ship have been taken over by Darryle Deinhard, boatswain's mate, who will be in direct charge of and oversee all regular ship's activities. When necessary, Darryl will be assisted by Tom Goodell, coxswain, who will also take over as understudy in Darryl's absence.

Because of the imminence of school vacation and resultant activities in boating, the unit is switching from working as one group to a "new look" by working crew versus crew in intra-ship competitions. Because of this, considerable attention was given to selection of the newly appointed crew leaders and their assistants.

Chuck Cully, prominent Eagle Scout in Westlake and recently joined with Ship 248, has been appointed leader of the Starboard Crew. His assistant is Dave Kazakoff, West-

lake footballer and active in school athletic circles. Their crew consists in part of Fred Clark, Rick De Martini, Joe Coho, Dave Peterson and Mike Dickson.

On the Port Crew, their opposites will be Bruce Wilson, Crew Leader, with Len Bassin as assistant. The crew will be Tom Macango, John Wilson Jr., Ed Sherry, Don and Chuck Castle.

Ron Johnson is the new ship's yeoman, replacing Bruce Wilson. He and Tom Goodell will participate on an alternating basis with both crews.

Recent unit activities, in addition to representing Daly City at the recent regatta, included a joint dance with Sunset District Mariners, unit swimming, participation in the San Francisco Council's Scout-O-Rama, and a trip to Travis Air Force Base. Planned for the immediate future, aside from intra-crew competitions and summer sailing, are an upcoming bay area cruise by powerboats, a cruise on the Westlake II as guests of Henry Doelger, and continued participation in public service events on behalf of the Westlake Subdivisions Improvement Association, unit sponsor, and Daly City.

Parents Attend Awards Rally At Crocker

A proud and happy group of 100 parents joined the student body of Crocker School on the afternoon of June 10 for an awards rally for students.

Mrs. W. Kelly, vice president of Crocker-Pershing PTA, spoke briefly on behalf of this organization which is seeking to encourage good citizenship and sportsmanship among the children by awarding special certificates and pins. She reminded the audience that "all parents cannot expect beautiful and bright children, but that

they have a responsibility to encourage good conduct."

This is the third year since the PTA instituted the awards. Principal Don Pagni and the teachers readily attest to the fact that this program has been a positive means of encouraging the five qualities which educators seek to engender in youth.

W. Tergis, vice principal, presented pins to boys of the Safety Patrol. Miss Pat Carnegy presented awards for after-school activities. Pagni presented pins and guards to students who made the good citizenship honor roll.

OBITUARIES

Angelo Martinelli

Funeral services were conducted at Lasswell's Tuesday for Angelo Peter Martinelli, 53, who died Saturday at St. Mary's Hospital, after a short illness.

A native of California, he was employed by Pacific Coast Aggregates as a cement worker.

A bachelor, he is survived by two brothers and two sisters, Joseph and Julius Martinelli and Mrs. Agostina Pardini and Julia Martinelli, all of Daly City.

Rosary was recited Monday evening, with a requiem mass following on Tuesday morning at Holy Angels Church in Colma. Entombment was in Italian Cemetery.

Mrs. Mary Norman

Funeral services Saturday at Lasswell's marked final tribute to Mrs. Mary Norman, 59, of 831 Larchmont drive, Colma.

She died on June 9 at St. Joseph's Hospital, of natural causes.

Born in Scotland, she lived in California 33 years. She was a member and past president of the Daughters of St. George Westminister Lodge of Calne in Colma.

She is survived by her husband, Henry; five children, Ronald, Henry, Louise, Edw. and Timothy Norman; a daughter, and brother in Scotland, by three grandchildren.

Rosary was recited Tuesday evening at Lasswell's, with a requiem mass at the church on Saturday morning. Interment was at Holy Cross Cemetery.

Richard M. Garri

Funeral services were held last Thursday at W. C. Link well's for Richard M. Garri, 71, who died June unit at Junipero Serra Hospital of natural causes.

A resident of Daly City 11 years, he resided at 53 Rice street. Born in Illinois, he had lived in California for 24 years.

Employed by Southern Pacific as a railroad patrolman for 15 years, he was a member of Railway Patrolman's Union Local 19 and Golden Gate Aerie 61 F.O.E.

Survivors include his wife, Gertrude; a son, Richard Garri Jr.; brothers William and Joseph, and sisters Mrs. Mary Garri and Mrs. Hammond Birks.

THE LAW

An old law on the books in Tacoma, Washington, according to the National Automobile Club, demands that you notify the police beforehand if you enter that town by automobile with the intention of holding up a bank.

Newly elected to the board were Superior Court Judge Frank Blum of Daly City and Mrs. Martin Dinkelspiel and Mrs. Vincent Cullinan of Hillsborough. Re-elected directors are Nordby, Ted Thompson of Pacifica, and Philip Morse of College of San Mateo.

Mrs. Carol Brown, recreation supervisor for the city of San Mateo, delivered the report of the nominating committee in the absence of the chairman, Anthony Lovoi, director of county probation services. Mrs. J. E. Rockwell of San Carlos was chairman of the annual meeting.

One hundred and twenty five persons, including many from Daly City, attended the annual meeting of the Community Council, which is composed of 64 member organizations. The Council is financed equally by the United Crusade and the county of San Mateo.

BOY SCOUTS INVITED TO BELMONT RACES

Fifty-three hard top auto racing drivers will be cheered by over 300 "men of tomorrow," when Promoter Ted Smyth will have San Mateo County Boy Scouts as his guests for the 10-event NASCAR speed show at Belmont Speedway next Wednesday night.

While the invite has gone out to the above troops, any others supervised by their scoutmasters will be welcome for the annual B.S. of A. Night. From past shows, this will also be a slambang card, mostly because many of the speed merchants are former scouts and they really give the youngsters action.

Beside the current point leader for the state title, Rick Henderson, slated for competition is runnerup George Benson, Mt. View; Tony Gomez, South San Francisco; Mike Hughes, Daly City; Marshall Sargent, San Jose; Lou Bernardoni, San Francisco, and Carl Diaz, San Bruno.

Race time is 8:30, following time trials at 7:30.

Uniform Bail Schedule Due Under New Law

An Assembly-approved bill by Assemblyman Louis Francis of San Mateo County was passed by the Senate to give arrested persons who are charged with misdemeanor offenses certain rights and to prevent some abuses in bail situations. It has been sent to the governor for his signature.

The measure authorizes the officer in charge of the jail and the clerk of the justice of the municipal court to approve as well as accept bail. It further provides that bail may be so approved and accepted in an amount fixed by the order admitting to bail as well as the amount fixed by the arrest warrant or schedule of bail.

An important provision requires the judges in each county to prepare and adopt by majority vote a county-wide uniform bail schedule. The judges are also required to meet not less than one and not more than two times each year in the county for the purpose of establishing or revising county-wide uniform bail schedules.

Francis explained that this bill will facilitate the release of persons who are arrested during weekdays and holidays for misdemeanor offenses and the judge is not available in court.

More Than 30 Over 200 Games At W'lake Bowl

With over 30 games of 200 or better being registered in the evening leagues the past week, the men are really finding the range on the Westlake Bowl lanes.

Bob Elliott's 256 game in the Tuesday 500 Scratch Trio League led the way. Rich Dreier posted a 238 game in the 825 Scratch League last Friday to take second honors. Third in the week's scoring was Stan Levy in the B'nai B'rith league with a 234, followed by Art Bardeleben's 231 in the Summer Vacation Handicap.

Bud Messina of Cal Mart in the Thursday Handicap League posted a 222 game as part of a 608 series. In the Mid-Summer Handicap, Dan Durst led the field with a 220 game, while Hal Kahn of the Long Hot Summer Mixed Fives and Bill Evdokimoff of Field Ernst in the Wednesday both had 219 games. Nate Gaggero and Roy Beecher were the leaders in the Daly City Employees League.

In the Sunday mixed fours leagues, Tony Stagnaro of Daly City Druggists in the Sunday Sweepers League posted a 213 game to lead the pack, while in the Westlake Wedlocks League, Jim Jolly's 212 game for the Hillside Food Center team was enough to take top honors.

Terry Christman Hurls No-Hitter For Drugs Nine

Sophomore Terry Christman of Westmoor High fanned 12 batters and didn't allow a single hit Saturday as the Daly City Drug Nine routed Saxe Realty, 9-0.

Terry got in trouble only once — in the third, with the bags loaded and one out. He coolly struck out two in a row to end the threat. Christman did fine at the plate, too. He socked two triples and drove in a pair of runs.

Westmoor teammate Barry Krohn, an All-Peninsula choice as a soph, slammed a homer for the Drugs in the fifth and next day hurled his mates past Dante's New Pisa at Marchbanks on a three-hitter.

Dante's club features a bevy of Jeff High talent, including Rich Mortola, Tony Montalbo, Don Staff, Len Anderson and Carl Keeling.

Junior League Crucials Set This Saturday

This Saturday's games have been classified as crucials for all Daly City Junior League teams with pennant hopes.

As a result of last Saturday's games, Pomona Tile appears to be alone in the driver's seat due to the PAL Indians' stunning upset of previously undefeated Westlake Flying A, 6-3. Dave Williams, on the mound for Westlake, allowed only three hits but was in constant trouble, having control difficulty. Dan Luciano pitched good ball for PAL, allowing only four hits.

Pomona Tile, by virtue of a superb no-hit no-run pitching performance by 13-year-old Bob Gonzales, defeated PAL Hawkeyes, 12-0. Larry Lozzi, 12-year-old catcher, helped the cause by getting five hits in five trips to the plate.

Other league action saw San Pedro Lunch down Holy Angels, 6-2, while Broadmoor Youth Association defeated Our Lady of Perpetual Help, 9-0.

Marchbanks Park is the scene of Saturday's showdowns at 11 a.m. San Pedro Lunch goes against second place PAL Indians, while first place Pomona Tile faces once-defeated Westlake Flying A in the 2 p.m. feature game.

PATRON WINS ALL -- BIG 8 LOOP HONORS

Second baseman Ino Patron, former All-Peninsula baseball player for DC's Jefferson High, has been named to the All-Big Eight Conference team by sportswriters and coaches in the junior college circuit.

Ino, son of Mr. and Mrs. Herman C. Patron, 529 San Diego avenue, was a mainstay for the College of San Mateo nine this spring. Right-handed Eddie Leveroni, who pitched Jeff to the North Peninsula League title in 1957, was on the CSM mound staff this season.

Patron, a small but quick-handed and speedy infield ace, is a good student but he is interested in signing a pro baseball contract.

10 Clubs Open Summer Midget Baseball Wars

Daly City's 1959 Summer Midget Baseball League gets underway this week with 10 clubs swinging into action. The league is the second midget league this year sponsored by the Department of Parks and Recreation. Broadmoor Youth Association, Daly City Merchants, Our Lady of Mercy, Parkmerced, Pomona Tile Giants, St. Emydius, San Pedro Lunch, South Sunset, Our Lady of Mercy Braves, and Winter Menzie Flying A.

Games will be played at 6:15 p.m., Tuesday through Friday, at Marchbanks and Westlake parks.

The opening week schedule: Tuesday, Daly City Merchants vs. St. Emydius, Westlake Park; San Pedro Lunch vs. Pomona Tile Giants, Marchbanks; Wednesday, South Sunset Whites vs. Our Lady of Mercy Braves, Marchbanks; Thursday, Parkmerced vs. BYA, Westlake; Friday, Winter Menzie Flying A vs. Our Lady of Mercy, Marchbanks.

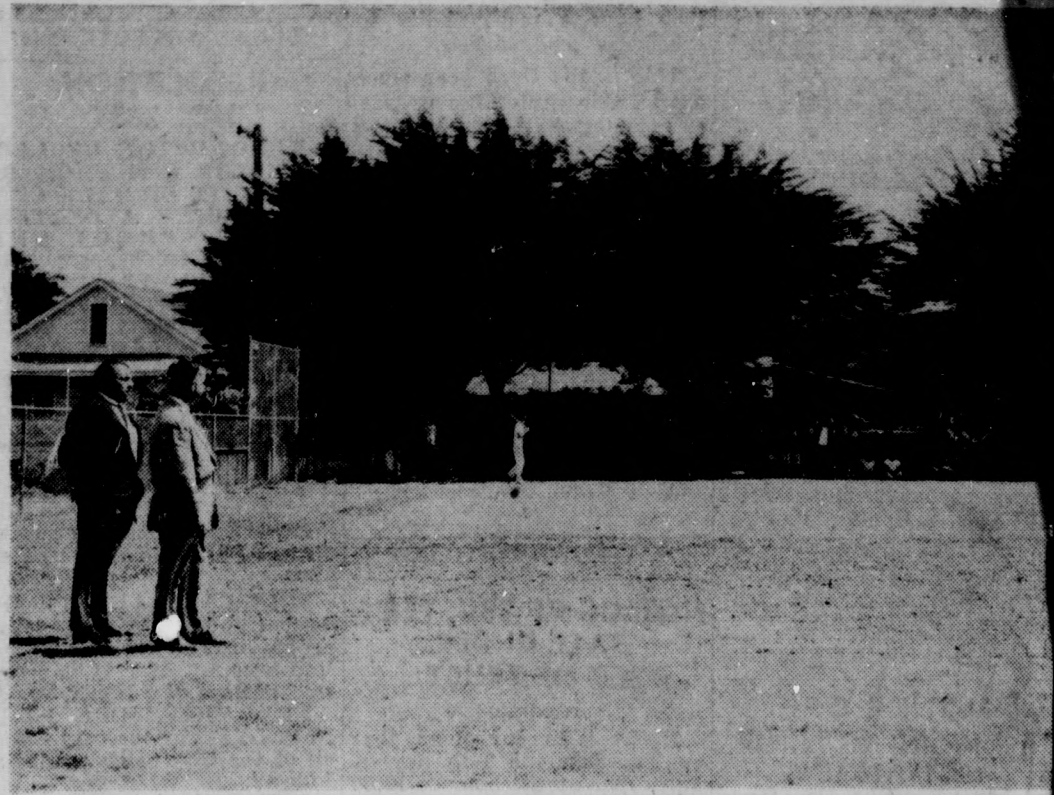

Horse Riding Classes Set For Girls Here

Teenage girls, as well as younger girls between 9 and 12 years of age, are eligible for horseback riding classes soon to begin as part of the local YWCA summer program.

Classes will be held at the Mar Vista Riding Academy, 2152 Skyline, Daly City, on Tuesdays, beginning July 7. Advance registration for these classes is necessary and may be made immediately at the YWCA office, PL 6-7370. Classes will be limited and enrollment will be on a first come first served basis. Four one-hour lessons will be given for a fee of \$12.

Instruction will include control of a horse at a walk, trot, and canter. English saddle will be used.

Teenage girls' classes will begin at 11 a.m., and classes for 9 to 12 year old girls will begin at 10 a.m.

VETERAN baseball backer Joseph Sarto and DC Postmaster Vince Murphy view renovated Holy Angels field, site of stepped-up baseball and softball ac-

tivities for Daly City-Colma youngsters of all ages. Sarto, former DC recreation commissioner, financially assisted the Holy Angels Men's Club in the project of providing a fully adequate diamond, backstop and fencing.

Francis Proposes New State Law To Curb Phony Auto Repair Bids

A bill by Assemblyman Louis Francis of San Mateo County has passed the State Assembly and sent to the Senate for approval, aimed at the automobile repair gyps who are costing California motorists millions of dollars each year in inflated automobile repair and insurance rates.

It makes it a misdemeanor for any person to make and submit a false bid for the repair of a damaged automobile, or other damaged property, with the intention that the bid be used to lead an automobile insurance company to believe that some other lower bid has been made in open competition.

Francis, the author, declared that this bill will help curb what he called "one of the most vicious and fastest growing rackets in California's history."

He said that "fraudulent collusion" between some insurance adjusters and automobile repairmen who engage in the ancient dishonest system of "courtesy bids" is one of the reasons for the constantly increasing costs of automotive insurance rates for the public.

Insurance companies, he said, are doing everything possible to correct the situation. "They discharge dishonest adjusters in large numbers and blacklist crooked garage repairmen who engage in this fraudulent practice," he said, "but every time they fire an adjuster, two more go wrong, or blacklist a garage, two more spring up in their places. Meanwhile, the average motorist is caught in the middle and pays the exorbitant costs of this racket."

"The unethical practices of adjusters and repairmen," he added, "has hiked the costs of repairs in almost every instance, oftentimes as much as 57 to 100 percent more than they should cost. The result, necessarily, is reflected in insurance rates paid by motorists."

"Automotive insurance rates, he said, will 'continue to skyrocket' as long as the 'current kickback system in motor vehicle repair work is allowed to continue.'"

The legislature should enact this legislation because this racket is assuming unprecedented proportions," he declared, "and is costing the people of the country hundreds of millions of dollars in unnecessary and illegal repair charges every year."

YWCA Invites Local Teenagers To Five Trips

Teenage boys and girls from the North San Mateo County YWCA may join with teenagers from the Marin and San Francisco YWCA's for five Thursday trips to places of interest in the Bay Area this summer.

June 25 will be the first trip, and on that day the group will visit United Airlines Maintenance Base.

On July 2 the visit will be to Levi Strauss Factory and KQED-TV Station.

A skating party at Sutro's is planned for Thursday, July 9; a guided tour of San Francisco by Grayline Bus for July 16; and a harbor cruise of San Francisco Bay on July 23.

All trips are by chartered Gray Line buses. YWCA leadership will guide the tours. Each trip is limited to 30 teenagers.

Advance registration must be made for these trips. To register, and for additional information about the trips and fees, contact the YWCA, 375 South Mayfair, Room 234, Daly City, or phone PL 6-7370.

SNELL SUMMER REC PROGRAM AT TWO SITES

The James L. Snell summer recreation program opens Monday at Garden Village and Ben Franklin school playgrounds.

These two sites are open daily from 9:30 a.m. to 4 p.m., with qualified recreation personnel in charge.

Elman Rose is director of the Snell summer program and Michael Orlich is coordinator. The funds come from Jefferson Elementary School District.

Rose and Orlich have a staff consisting of supervisor John Belforte, Pat Leinger, Marylou Vinella, Mosconi and Bill Mendosa.

Delfino Leaves BPOA Board Of Directors

Broadmoor Property Owners Association officials at the June meeting "with much regret" accepted the resignation of long-time director Adolfo Delfino, 1024 Washington street, Colma.

A BPOA spokesman said Delfino was going into business. San Bruno and his new enterprise would take all of his time.

Gunnar G. Gunheim, an attorney residing at 6 Randa Court in Broadmoor Village, was appointed to fill out Delfino's unexpired term.

Serpentine is one of the most distinctive and widely distributed rocks of Central and Northern California.

requently, the first bidder invariably gets the business."

This is a "courtesy" bid system that has become part of the parcel of the automotive repair business because most garages will cooperate knowing that the next time it might be their turn to offer an inflated bid and enjoy the protection of fellow garages.

The insurance adjuster handling the deal usually gets a percent or more of the overcharge.
